## PRODUCT DESCRIPTION

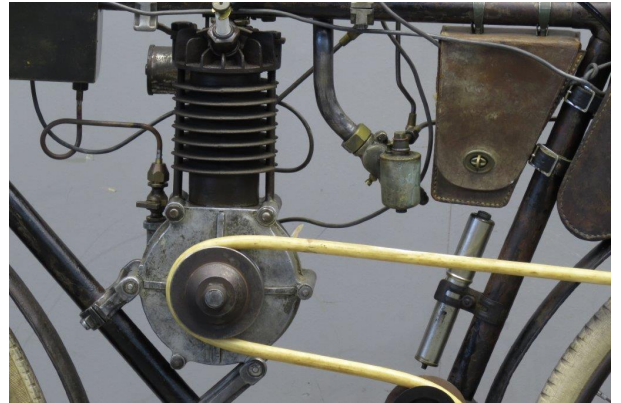

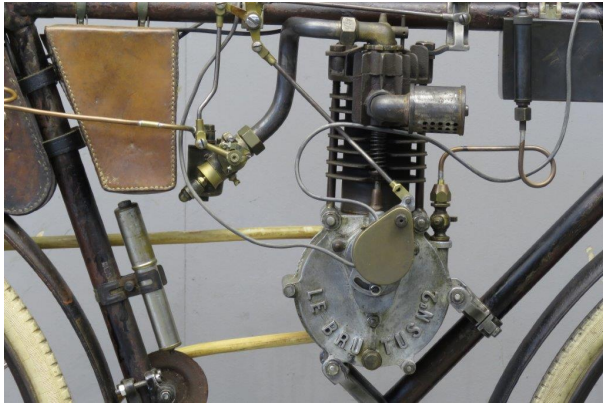

**Brutus 1902 108 cc AIV engine # 811 fitted to period Hurtu bicycle.**

Le Brutus was one of the many manufacturers of proprietary engines that were active in France in the early 1900s.

The company started producing engines in Paris in 1900 and engineer L. Leclerq was responsible for the design. This unrestored survivor is fitted with Claudel carburettor and comes complete with "Clement Paris & Cie." front oil lamp.
