PRODUCT DESCRIPTION

Perfecta ca 1902 ca. 200 cc clip on engine in contemporary Peugeot cycle, engine#160

Perfecta, a well-known bicycle manufacturer, produced engines for some years around 1900 in the village of Surennes (Seine).

The engine and tank unit are attached to a ca.1900 Peugeot bicycle.

A very authentic, unrestored early veteran that requires some tender love and care to get her on the road again.
