PRODUCT DESCRIPTION

Triumph 1933 NT 493 cc OHV single frame# B 5124 engine# 2323 HWA

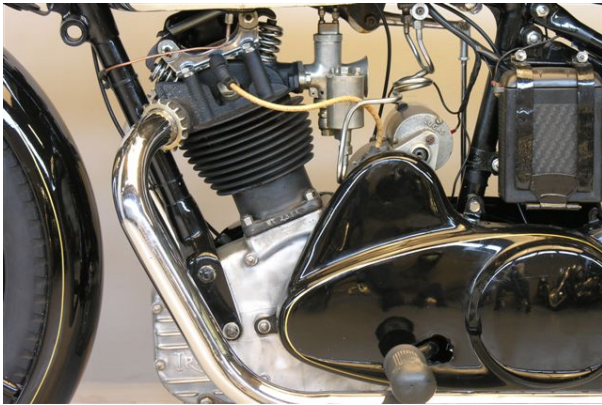

This luxurious touring model has an inclined engine, which was very popular in the early thirties. It has a two port head and the lower right hand side engine parts are covered with a sheet metal panel to give a clean outer appearance. Note the handlebar instrument panel; it was an expensive extra and has ammeter, switch, dimmer, trip speedometer and provision for fitting clock.

The machine has been sold new in The Netherlands and has been restored with great care.

She is ready to take you and your pillion passenger back in time...
