PRODUCT DESCRIPTION

Triumph 1971 T120R Bonneville 650cc

Best all-rounder, sold from 1905 on in about every model you can think of from army sidevalve to trails bike to factory custom.

Triumphs form the back bone of the classic world and, love them or hate them, they are always around.

You do get great service/spares backup worldwide and the best selection of accessories.

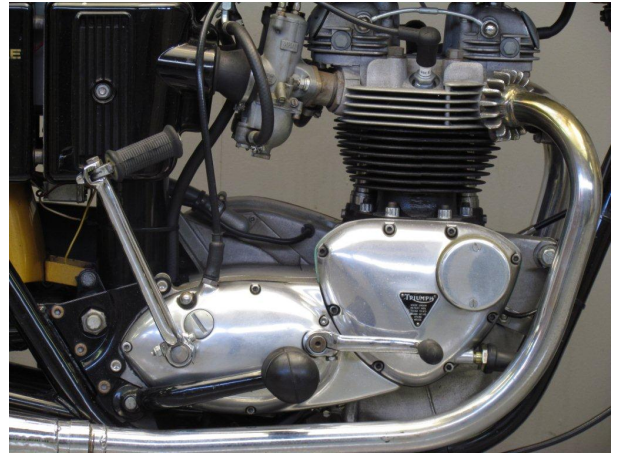

We experienced, you meet the nicest people on a Triumph.....What more do you want ?

This 650cc OHV 4-speed, twin carb. T120R Bonneville develops 49HP @ 7200 rpm and is capable of doing 176 km/h (109,4 mph).

This Triumph Bonneville is a well running older restoration and is just waiting for the right guy willing to open up the throttle.
