PRODUCT DESCRIPTION

Velocette Viper 350cc. Frame # RS11468 Engine # VR1858

Velocette was renowned for producing well made mid capacity machines.

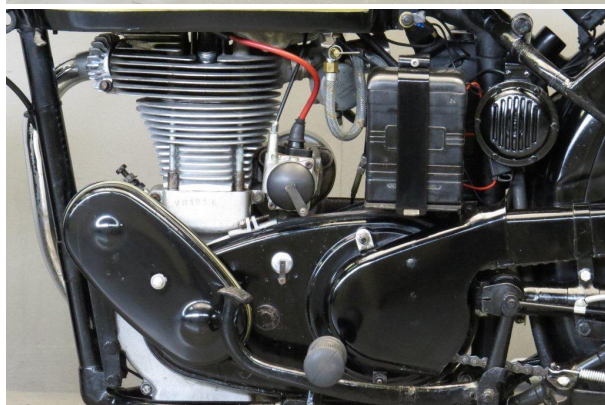

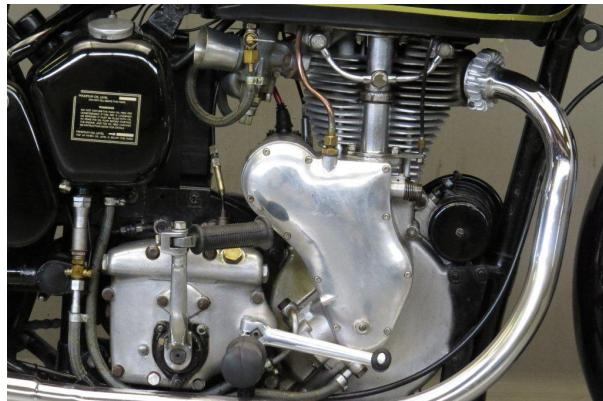

The Velocette's viper was no exception and was one of the most popular 350 c.c. machines offered in the late fifties, early sixties.

They offered good quality and were capable of speeds in excess of 80 mph.

This well maintained Velocette Viper is a very good runner and promises the fortunate new owner lots of trouble free miles.
